About Us

CMC Myanmar Company Limited, founded in 2024, specializes in a diverse range of business sectors, including Global Steel Trading, Construction, and Local Steel Distribution. The company aims to bridge international steel trade with the local construction market, providing high-quality materials and services to meet the growing demand in Myanmar's infrastructure development. With a strong commitment to excellence, CMC seeks to become a key player in the region, facilitating sustainable growth and providing reliable solutions for both commercial and residential projects.

OUR VISION

Our vision is to establish CMC Myanmar as a trusted partner of choice for construction projects of all scales and complexities in Myanmar. Through strategic partnerships, continuous improvement, and a relentless pursuit of excellence, we aim to set new benchmarks for quality and innovation in the industry.

OUR MISSION

Our mission at CMC Myanmar is to deliver exceptional construction solutions that exceed client expectations while adhering to the highest standards of quality, safety, and sustainability. We strive to be recognized as a leading force in Myanmar's construction sector, driving progress through innovation and dedication to excellence.

OUR VALUES

INTEGRITY

CMC operates with honesty, transparency, and fairness in all business dealings, ensuring trust with clients, partners, and stakeholders.

QUALITY

CMC is committed to providing high-quality materials and services, ensuring that each product meets industry standards and exceeds customer expectations.

COLLABORATION

CMC values collaboration both within its team and with external partners, believing that collective effort drives success and fosters a culture of shared growth.

Construction Business

CMC Myanmar Company Limited grow vigorously in the dynamic realm of construction, offering comprehensive solutions to meet diverse project requirements. With a steadfast commitment to quality, innovation, and client satisfaction, we stand as a premier partner for construction ventures of all scales and complexities.

Health and safety management

- Use of personal protective equipment (PPE): Ensure that workers properly use helmets, gloves, safety goggles, and other appropriate protective elements to prevent injuries.
- Define safety controls and protocols: Implement clear and specific procedures for each activity, such as handling loads, using tools and machinery, and accessing work areas.
- Installation of safety barriers and signage: Place guardrails, fences, and safety tapes to delimit hazardous areas and warn workers about potential risks.
- Implementation of safe work procedures: Establish protocols for carrying out tasks safely, including proper material handling, use of ladders and scaffolding, and prevention of falls from heights.

Construction & Decoration Materials Distribution

CMC Myanmar is a trusted local business specializing in the distribution and sales of construction and decoration materials, serving both individual and corporate customers with quality products. We offer a wide range of items to meet the needs of construction companies, contractors, retail sellers and homeowners, ensuring reliable supply and competitive prices.

With one dedicated sales shop and a showroom, we provide our customers the convenience of both purchase and product display, allowing them to explore our selection before making the right choice.

Our goal is to deliver not only materials but also value, reliability, and excellent service in every transaction.
